To Whom It May Concern:

Ambassador Worldwide Protection Agency, Inc. (Thomas Bolling, C.E.O.) has been a vendor with our company for the past three years or more. His company and staff continue to maintain an excellent rapport with, "It's All Good," Auto Sales and me personally. I have always been impressed with the professional appearance of the officers and also with the manner in which his officers have handled themselves when faced with difficult situations.

Observing his security minded and always-focused officers in action, you can't help but to know that you are in good hands and totally safe.

I have utilized Ambassador's Executive Protection services on several occasions while attending Memphis Grizzlies games and other events with family and friends and no longer think of traveling without their services. For the record, "I will say that it is the ultimate experience. If I can be of further assistance, please call me at (901) 345-9080. "It's All Good."

Truly,

Mark Goodfellow,
President & C.E.O.
