To Whom It May Concern:

Approximately 1 year ago security services were contracted from Ambassador Worldwide Protection Agency. Prior to this service, there were a number of problems that other guard services were unable to correct. Within 4 months of contracting services from Ambassador Worldwide Protection Agency the greater majority of the problems which had been ongoing were corrected and no longer an issue. Ambassador Worldwide Protection Agency has also made a great impact on the resident and guest of The Landings Apts. The staff of Ambassador Worldwide Protection Agency has addressed every issue of Management and resident issues in a professional manner, which keeps our resident retention at 97% occupied. The Landings Apartments would highly recommend the services of Ambassador Worldwide Protection Agency. If you have any question, please don't hesitate to call our business office @ 901-795-6395.

Truly,
